Pride Foundation/GSBA Scholarships Available

Pride Foundation is now accepting scholarship applications for the 2010-11 school year. We anticipate awarding $300,000 in scholarships during this cycle. Along with our scholarship partner, the Greater Seattle Business Association, we offer 50 different scholarships, but have only one application to complete.

New this year is our online application. Gone are the days of paper, as now students can create an account at PrideFoundationScholar.org and complete their application completely online. This makes the application more accessible and also decreases our administrative costs. You can also find out who qualifies for a Pride Foundation scholarship here and read about our past scholars here. Remember, applications (including letters of recommendation) are due on January 31, 2010 at 5:00 p.m. PST. Don’t wait… start today!

You can also help us spread the word by downloading a copy of the scholarship poster and displaying it at your school, community center, workplace or local bulletin board.
