

Long-Term Academic and Career Plan – College Transfer

Study Plan

It is important to have a clear, well thought-out, realistic academic plan. You will have time when you attend Seattle Central to thoroughly research your transfer plans. For your visa interview, you can make more general preparations with this planning sheet.

Long-term Academic Goal: _____

(Example: 4-year B.A. Degree in Business Administration):

Major: _____

(Example: Accounting, Civil Engineering, Political Science, etc.) Write your major here in the space below. If you have more than one idea for a major, than put both. If you are undecided, still try to think of the subjects you are most interested in and put one down:

Career Plan

You must consider what kind of job you will have when you return to your home country. Be sure to link your intended degree to your career plan. Do your research! Look in newspapers, in industry publications, or talk to people who already have a job in your field to find out more about possible jobs.

Your career plan should include the following:

OPTION 1:

Job title

Job description

Potential Employers (Companies)

- 1.
- 2.
- 3.

OPTION 2:
